**Re: American Home Assurance Co., et al. v. Central Transport, Inc.  
U.S.D.C., Southern District of New York, No.: 07-cv-7930  
Our File No.: 1847-019**

Dear Judge Daniels:

We represent the defendant in the above-referenced matter and write to address plaintiff's counsel's objection to our request for leave to attend the June 19 status conference in this matter by telephone.

Counsel's objection appears to be based on "discovery issues" which he anticipates will arise at the conference, as well as the potential intervention of a Magistrate for settlement purposes. Counsel, however, offers no specifics which would shed light on precisely what "discovery issues" he anticipates might arise.

We are unable to think of any such issues which could not be resolved over the telephone with or without the court's assistance, especially if we are apprised of such issues in advance of the status conference. We are also prepared to discuss the involvement of a magistrate for settlement purposes over the phone.

Honorable George B. Daniels

We respectfully request that the Court grant us leave to attend the status conference by phone.

Respectfully submitted,
